DEFINITIONS

Homework is tasks assigned to students by teachers that are meant to be carried out during non-school hours.

POLICY

At Kurunjang Primary school all homework set by teachers will be:

- purposeful
- curriculum-aligned
- appropriate to students' skill level and age
- designed to help students develop as independent learners
- monitored by the teacher
- where appropriate, provide opportunities for parents/carers to partner in their child's learning.

The types of homework that teachers at Kurunjang Primary school will include are:

Prep to Year 4

- In the early years, the objective of homework should be to practise and consolidate the concepts that have been introduced during class time. It is also intended to introduce the concepts of self-discipline and responsibility and prepare them for the upper grades.
- Assigned homework tasks will build on concepts explored in the classroom and encourage students to use their initiative by gathering additional information or materials.
- Homework will mainly consist of daily reading to, with, or by parents/carer or older siblings.
- Students are generally not expected to complete more than 30 minutes of homework per day and no homework tasks will be assigned over the weekends or during the holidays.

- Assigned homework tasks will include daily independent reading and may include extension assignments, class work, essays and research.
- Students are generally not expected to spend more than 45 minutes per day on homework and no homework tasks will be assigned over the weekends or during the holidays.

SHARED EXPECTATIONS AND RESPONSIBILITIES

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Responsibilities and expectations for **leaders** at Kurunjang Primary School are to:

- advise teachers, students and parents/carers of homework expectations at the beginning of the school year and provide them with access to the homework policy.

Responsibilities and expectations for **teachers** at Kurunjang Primary School are to:

- set homework that is curriculum-aligned and appropriate to the student's skill level and age
- ensure homework tasks are purposeful - this means they are deliberately designed and planned to support student learning (so, they are not 'busy work' or where students 'finish off' work they did/could not complete in class)
- assess homework and provide timely and practical feedback
- ensure the amount of homework set supports a student to engage with a range of recreational, family and cultural activities outside of school hours
- offer opportunities for families to engage in their children's learning.

Responsibilities and expectations for **students** are:

- being aware of the school's homework policy
- discussing homework expectations with their parents/carers

- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment (for older students).

Responsibilities and expectations for **parents/carers** are:

- ensuring there is a balance between the time spent on homework and recreational, family and cultural activities
- talking to teachers about any concerns they have about the homework
- discussing homework with their child in their first language, if English is not the main language spoken at home,
 - in dialogue, linking homework to:
 - ❖ previous experiences the child and/or parent/carer may have had
 - ❖ family culture(s), history(ies) and language(s)
 - ❖ relevant services, clubs, associations and community.
- ensuring there is a quiet study area for their child to complete homework.

SUPPORT FOR STUDENTS AND PARENTS/CARERS

Kurunjang Primary School understands that students have different learning strengths, preferences and interests and may approach learning activities and homework differently. If parents/carers are concerned their child may not understand the homework tasks that have been set or is spending a long period of time completing their homework, we encourage parents/carers to speak to their child's teacher.
