### Help for non-English speakers

If you need help to understand the information in this policy, please contact Tom Goddard on 9743 0633

### PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

### SCOPE

This policy applies to all teaching and non-teaching staff at Kurunjang Primary School, including education support staff, casual relief teachers and visiting teachers.

### POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places.

Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

### Before and after school

Kurunjang Primary School's grounds are supervised by school staff from 8.40am - 8.55am and 3.15pm - 3.25pm. At these times Staff are actively supervising Areas 1-5 & 6, 2,3 & 4, and 7 including front of school. Outside of these hours, school staff will not be available to supervise students.

Parents and carers will be advised through notifications on our school website and regular reminders in our newsletter that they should not allow their children to attend Kurunjang Primary School outside of these hours. Families will be encouraged to contact Suzie on 0400 028 149 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

## Yard duty

All staff at Kurunjang Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Kurunjang Primary School, school staff will be designated a specific yard duty area to supervise.

## Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate COMPASS.
- If being relieved of their yard duty shift by another staff member (for Kurunjang Primary, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a relieving staff member has arrived.
