PRINCIPAL'S REPORT

Can you believe it is now only 1 week until the school holiday break? Term 1 certainly has been a busy term with lots of wonderful things happening at KPS throughout the term. As we finish up the term next week, we are very much looking forward to celebrating our students' achievements throughout the term as well as preparing them for all the exciting things that will happen at our school in term 2.

As always is the case in schools, we still have a number of key dates and events happening throughout term 1. To help with your planning for the term ahead, here are some important dates for you to put in your diaries or on your calendars:

- Tuesday 4th April – House colours Easter Activity Day
- Thursday 6th April: F-2 Easter Bonnet Parade
- Thursday 6th April: End term 1 – 2.10pm finish
- Monday 24th of April: Curriculum Day – students do not attend school today
- Wednesday 26th of April – First Day of term 2 for all students

A reminder that this weekend is the end of Daylight Saving and as such, everyone must turn their clocks BACKWARDS an hour before going to bed on Saturday night. As we do turn our clocks back this weekend, it is the perfect time for families to revisit and adjust their sleeping routines and habits.

While we know sleep is essential for good health, research shows that many children and young people are not getting enough sleep on school nights. This can affect thinking, concentration, memory, reaction times and mood.

Research shows about 12% of primary school-aged children, a quarter of 12 to 15 year-olds and half of 16 to 17 year-olds don't get enough sleep on school nights. The recommended amount of time to sleep for primary school-aged children is 9 to 11 hours. For teenagers, it's 8 to 10 hours.

Signs that your child is not getting enough sleep can include:

- low mood and irritability during social interactions
- reluctance or arguing about getting off devices and going to bed
- falling asleep during the day
- difficulties waking up for school and sleeping in late on weekends to catch up
- changes to communicating or interacting at home.

You can help your child to improve their sleep by:

- establishing a regular sleep pattern and consistent bedtime routine
- supporting them to avoid using electronic devices such as smartphones before going to bed and in bed

PRINCIPAL'S REPORT

- encouraging your child to exercise and spend time outside in daylight, steering clear of vigorous activity in the hour before sleep
- encouraging them to wind down and relax before going to bed.

If your child is still having trouble sleeping, has persistent problems with low mood, excessive daytime sleepiness, restlessness in bed, severe snoring or wakening unrefreshed, despite getting adequate length sleep, they should see a doctor.

In 2023, we are once again running our much loved Easter raffle and are now calling for donations of Easter Eggs to be included in the raffle prizes. Last year, the Easter raffle was a very successful fundraising event and we were able to hand out a number of prizes. If you can and would like to donate to this year's Easter raffle, please either drop your donations off to the office or send them in with your child who can give them to the office. Your donations are very much appreciated as is your support of our 2023 Easter raffle. Please make sure that any donations are handed into the office no later than Monday next week so that raffle prizes can be created.

Another way we recognise and celebrate Easter at KPS is through our annual F-2 Easter Hat Parade. On Thursday the 6th of April, all students in F-2 will have the opportunity to participate in an Easter Hat Parade. Students will be making their Easter Hats at school during the week.

The Hat Parade will take place at 9.10am on the Turf Area, which is near the basketball court. In case of inclement weather, the parade will be cancelled, and students will share their hats and parade within student groupings only.

Where possible we will alert families via compass and will place a sign outside each F-2 class the morning of the proposed parade informing families of the cancellation.

Parents will not be required to help their child make a hat at home as all children will be creating a hat at school.

If you do not wish for your child to participate in the Easter Hat Parade, please let your child's teacher know as soon as possible.

As mentioned in previous newsletters, we will be sharing with you more information about our Child Safe standards in the newsletter each week. This week, we are looking at Child Safe standard 7, which is Child Focussed Complaints Process.

This standard focuses on ensuring that schools have complaints processes that are child-focused, culturally safe and accessible to everyone.

Kurunjang Primary School is committed to being a child safe organisation and embedding a child safe culture into our practices and processes to ensure all children who attend the school are safe at all times.

PRINCIPAL'S REPORT

To comply with this standard at Kurunjang Primary School, we ensure that we have:

- a complaint handling policy which:
 - is publicly available and accessible
 - is child-focused
 - is culturally safe and easily understood by the school community
 - has information about the process for making a complaint about the school or any person within the school
 - requires that complaints are taken seriously and responded to promptly and thoroughly.
- procedures for responding to complaints or concerns relating to child abuse that is:
 - publicly available and accessible
 - child-focused
 - culturally safe and easily understood by the school community
 - ensures complaints are taken seriously and responded to promptly and thoroughly
 - covers all forms of child abuse
 - sensitive to the characteristics of the school community
 - able to address reporting of complaints and concerns to relevant authorities, whether or not the law requires reporting, and cooperate with law enforcement
 - able to provide details of recordkeeping, reporting, privacy and employment law obligations to be met when responding to complaints and concerns

As the school term does come to an end next week, a reminder that the last day of school is Thursday 6th of April and that school finishes at 2.10pm on this day. Please make sure that you make arrangements to ensure your child/ren are picked up promptly at this time.

Term 2 will start for all students on Wednesday 26th of April at 8.50am.

Finally, please remember, I always welcome and would love to hear any feedback you have about our school, so please feel free to email me at ANY TIME at maree.moyle@education.vic.gov.au with any thoughts, concerns, feedback or suggestions that you may have to continue to make our school a wonderful place to be and to learn. I will get back to you as soon as I can and really do appreciate any feedback that you have to share.

Have a great week everyone!

KPS Writing Champions

Welcome to our next 'Writing Champions' addition where we will celebrate the wonderful writing that our Foundation students are creating.

We would also like to celebrate the wonderful writers in 6 Ellie,

Our school* is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHsports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school* earns!

Collections close 7th July.

Tip for collecting:
Use one empty bread bag to collect a bunch of other bags.

Did you know?
Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!

LET'S GET COLLECTING!

*Includes early learning centres and pre-schools.

Tag [@wonder.australia](https://www.wonder.australia) #wonderrecyclingrewards to share all your recycling champion stories!

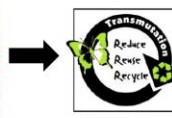

BREAD TAGS FOR WHEELCHAIRS

Please save your bread tags – they will be recycled to fund wheelchairs, mainly in South Africa.

We collect bread tags Australia-wide, and recycle these in Robe, SA. All funds raised through recycling are used to supply wheelchairs.

Re-made in Robe!

What can I do?

It's easy save your bread tags for a while and then drop them off at one of our collection points. Ask your family, friends, school and local café to help.

Visit our website for signage, to find your nearest collection point, or to host a collection point.
