PRINCIPAL'S REPORT

Tomorrow we will be having an out of uniform day to raise money for the students and families at Exford Primary School. Students will require a gold coin donation to come out of uniform.

Congratulations to Abeny K and Joshua B who are going on to the regional cross-country event. We wish them all the best.

LIGHTENING PREMIERSHIP

It is great to receive positive feedback about our wonderful students at the 5/6 Football last Friday, one of the opposing teams' players was accidentally hit/kicked by one of our players. Three of our players stopped playing to ensure that they were ok, stayed with the opposition player while their teacher came over and even walked off the ground with them. Our team were anxious when they found out that other teams had players who were experienced footy players, but they got out there and it was amazing to see their confidence grow with each game.

T-Ball Report - Boys Team - The first game they played was against Coburn. Their team only had 7 against our 9 but both teams played their best and it came out to a draw. The second game was against Eynesbury. Both teams had some great home runs, but our boys made some excellent choices, and we took the win. Third game was against Wedge Park. We did our best and communicated well, but a few great catches from Wedge Park got our team out very quickly and we unfortunately lost. We made it to the playoffs against Melton South. Some great plays from both sides but we missed a few key shots and catches, letting Melton south take the game.

Girls Team - The first game was played against Wedge Park. Some excellent fielding and strong batting helped our girls get a clean victory. The second game was against Eynesbury. Great communication and some good tags helped our girls score enough runs for another win. The third game, our girls played against Coburn. They were all excited after two great wins but a few errors while fielding led to a loss. We made it to the playoffs and after an exceptional first innings, Melton South came back with some great hits and excellent catching. Unfortunately, we missed first place but came runners up for the lightning premiership.

Football Report - In football, Kurunjang played against Wedge Park, Coburn, Eynesbury and Heathdale. The day was filled with standout performances and memorable highlights, which for many participants was their first AFL game.

Highlights included Jack D scoring the first goal of the day which boosted the confidence of KPS. His impressive skills led to another goal later in the day. Jacob S kicked an excellent goal

PRINCIPAL'S REPORT

and showed valuable leadership in helping direct other players. Denvah C-P demonstrated defensive prowess, displaying impressive marking and kicking abilities that helped prevent several opposition goals. Noah N showed excellence by making many strong tackles and winning several ruck contests against much taller players. Amelia G showed excellent effort and resilience in her effort in defence. Everyone had fun and the team greatly improved their confidence over the day.

Sportsmanship was excellent with KPS helping up fallen opposition players on several occasions.

Mr Webb was very tired after running around umpiring all day, getting over 19,500 steps. 😊

SEMESTER 1, STUDENT REPORTS

Staff have begun working on the students' Semester 1 academic reports. These will be available on the first day of term 3 because Term 2 is a short term (only 9 weeks). Parent Teacher Interviews will be held during week five of term 3. Information about booking a time will be available shortly.

RUNNING LATE

If you are running late to pick your child up, please ensure that you contact the school so that we can inform your child. This often relieves any stress or anxiety that they may feel with you not being there at 3:10pm.

HOMEWORK

We are continuing with fortnightly spelling words and nightly reading. If your child has been split for the day, please ask that teacher for a take home book. Please continue the amazing work you have been doing at home regarding nightly reading. It is recommended that your child reads for at least 20 minutes a night. When possible, this should be reading aloud to an adult. Reading to your child also helps develop a lifelong love for literature. Next term will be going back to the fortnightly activity matrix.

ARRIVAL TIMES

Families, just a friendly reminder that drop off time for students each morning is from 8:40am – 9:00am. Drop off prior to 8:40am or bike riders arriving early means students are unsupervised. Staff are on active supervision from 8:40am onward each morning and the gates are open at 8:30am.

After school staff are on active supervision from 3:10pm to 3:25pm, gates are locked at 3:20pm to allow staff to return for meetings.

Kurunjang Primary School is committed to being a child safe organisation and embedding a child safe culture into our practices and processes to ensure all children who attend the school are safe at all times.

PRINCIPAL'S REPORT

ROAD SAFETY

A reminder that the speed limit around the school is 40km per hour and that this is routinely monitored by the law enforcement throughout the year. This week we had a close call on Nimmo Crescent where a student was almost hit by a car. This student exited the car in the middle of the road. Please let your children out on the gutter side.

We invited Melton Council traffic engineers to come and meet with us about the daily traffic challenges. Council will work with us to find improvements, however, in the interim, it is really important that all vehicles are driven slowly and courteously.

SCHOOL VALUES

Over the next fortnight we will be focusing on the school value RESPECT.

- We all respect others (students, teachers and parents)
- We are polite.
- We are friendly, honest and caring.
- We are accepting and inclusive.
- We have self-control.
- We listen to others and use words that show respect.
- We follow rules and accept outcomes for our behaviours.
- We remain calm and use appropriate tone and language.

YARD EXPECTATIONS

Please do not approach other students in the yard – students feel intimidated and unsafe when approached by a strange adult. If you see an incident or you have a concern with any child other than your own, please do not approach them, please notify the teacher on yard duty or your child's classroom teacher.

THE RESILIENCE PROJECT

This year we have been working closely with The Resilience Project to support the wellbeing of our school community.

[The Resilience Project](#) delivers emotionally engaging programs and provides evidence-based, practical strategies to build resilience.

Our Partnership Program consists of online presentations and weekly lessons for students, professional development for staff, and Parent & Carer Hub (inc. digital presentations) for our parent and carer community.

Over the coming weeks, we'll be sharing the Parent & Carer Hub with you. The videos are 5-10 minutes long and will walk through the key pillars of resilience: **Gratitude**, **Empathy** & **Mindfulness**. You'll hear stories and be introduced to activities to show how these strategies can support our kids' learning and development, and also support you as parents and carers.

This program is an important part of our school's effort to look after the mental health of our community.

View the first presentation of the series here:

Part 1: Meet Hugh and learn about The Resilience Project - <https://theresilienceproject.com.au/2023-parent-carer-hub-inspire-hugh/>

In this presentation, Hugh shares a personal experience about his sister's battles with Mental Illness.

Note: This video contains a story about an Eating Disorder that may be triggering. Please consider this before watching. For mental health resources and support information, visit The Resilience Project's Support Page.

Our school* is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.
It's simple! All you need to do is keep your empty bread bags and send them to school* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school* earns!

Collections close 7th July.

Tip for collecting:
Use one empty bread bag to collect a bunch of other bags.

Did you know?
Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!

LET'S GET COLLECTING!

* Includes early learning centres and pre-schools.

Tag [@wonder.australia](https://www.wonder.australia) #wonderrecyclingrewards to share all your recycling champion stories!

BREAD TAGS FOR WHEELCHAIRS

Please save your bread tags – they will be recycled to fund wheelchairs, mainly in South Africa.

We collect bread tags Australia-wide, and recycle these in Robe, SA. All funds raised through recycling are used to supply wheelchairs.

What can I do?

It's easy save your bread tags for a while and then drop them off at one of our collection points. Ask your family, friends, school and local café to help.

Visit our website for signage, to find your nearest collection point, or to host a collection point.
