PRINCIPAL'S REPORT

Dear parents and carers,

Thank you to the families who helped their children participate in the fundraiser last Friday to raise money for the Exford PS Community. We took a total of \$806.10, which we will pass onto the school. I was really impressed with the children's involvement and the generosity of our school community in supporting another school in need. The road ahead for the children, and their families affected is long, as is the impact on the rest of the school community. I know they will be very grateful for our school's contribution.

As the Acting Principal of your children's school, I strive to maximise my connections with the students, and like the staff at the school, pride myself on the care and concern that I have for each and every student and family. Students visit my office regularly to share their successes and things they are proud of; last week George from grade 2 was excited to share his writing and Blake from year 4 showing his karate medals to me. I also receive visits from students to say hi or share things that they may be worried about. I encourage students to see me or other members of staff if they are worried about anything. Students feeling confident to speak up about how they feel or something that has happened to them at school is an important step in the process to resolving incidents or managing any bullying that may occur.

For the Parents and carers at school, the same applies to you. Please share your successes and the things you are proud of about our school and also reach out to me or your child's teacher if there are any matters that you feel we need to know about. A community wide approach is crucial.

A massive thank you to the entire school community for being so understanding about staff and student absences. COVID 19, gastro, chicken pox and the emerging flu season are certainly causing a number of staff and students to be absent. There is also a shortage of replacement teachers and education support staff. This certainly causes disruptions but with patience and a willingness to work together we can certainly ensure that the day runs as smoothly as possible.

National Consistent Collection of Data for Students with a Disability (NCCD): Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the

PRINCIPAL'S REPORT

school about supports provided to students with disability. These relate to legislative requirements under the Disability Discrimination Act 1992 and the Disability Standards for Education 2005, in line with the NCCD guidelines (2019).

Information provided about students to the Australian Government for the NCCD includes:

year of schooling category of disability: physical, cognitive, sensory or social/emotional level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the Australian Government's Privacy Policy (<https://www.dese.gov.au/about-us/resources/department-education-skills-and-employment-complete-privacy-policy-0>).

Further information about the NCCD can be found on the NCCD Portal (<https://www.nccd.edu.au>).

ROAD SAFETY

Bikes and Scooters – Riding to School

We support and encourage students to ride their bikes and scooters to school as it is a healthy and environmentally conscious choice, but note that:

- ❖ Bikes and scooters must be in a condition that complies with safety expectations (e.g. size, brakes, tyres).
- ❖ Students must wear a helmet when riding a bike and are strongly encouraged to do the same when riding a scooter.

Kurunjang Primary School is committed to being a child safe organisation and embedding a child safe culture into our practices and processes to ensure all children who attend the school are safe at all times.

PRINCIPAL'S REPORT

- ❖ Students are strongly encouraged to lock their bikes and scooters in the bike enclosure.
- ❖ Bikes and scooters must be 'walked' within the school grounds when entering and exiting the school.

SCHOOL VALUES

This week we continue to look at the school value **RESPECT**. Displayed in every classroom is an expected behaviours matrix. The matrix has expectations for each of the school values. Please see values below.

This year we have been part of The Resilience Project's program. The aims and objectives of this program is to build an understanding of positive emotions and resilience. We have focused on the three key pillars that have been proven to cultivate positive emotion: Gratitude, Empathy and Mindfulness (GEM), with Emotional Literacy being a foundational skill to practise these strategies.

A reminder to our whole community that acts of kindness go along way. We encourage everyone to support and encourage all members of our school community and this includes students, teachers, staff and families. Everyone is working hard to do their best and deserve respectful and thoughtful behaviour.

PRINCIPAL'S REPORT

Gratitude - Paying attention to the things we have right now and not worrying about what we don't have. We practise gratitude by noticing the positives around us.

Empathy - Putting ourselves in the shoes of others so we feel what they are feeling. We practise empathy by being kind and compassionate towards other people.

Mindfulness - Our ability to be calm and in the present moment. We practise mindfulness by slowing down and concentrating on one thing at a time.

Emotional Literacy - Our ability to label our emotions, which helps us to soften negative emotions and find positive emotions. We practise emotional literacy by labelling our emotions as we experience them.

ASSEMBLY

Looking forward to seeing you all at the Year 3 to 6 assembly tomorrow. See you then. Finally, I am looking forward to seeing you all refreshed after the long weekend.

Tom

Dear Families,

Yesterday Miss Havers, Mrs Notman and myself- Lisa, took 38 students from across grades 3 to 6 to Dromkeen. Dromkeen is a picture book gallery in Riddell's Creek and show cases the work of local author / illustrator Mark Wilson. Mark has authored many books that are in our library, the most recent will be released in August this year, entitled 'Caroline'. This story is based on the story of Caroline Chisholm.

The students had a fantastic day where they met Mark Wilson, who shared his secrets about how he gets his ideas for his stories. He also explained that it takes him 10 drafts before his story is ready to go to the publisher, so that's a lot of work!

The students were also involved in a drawing class, where he taught them how to use shape to draw some fantastic illustrations.

It was a spectacular day for all and we look forward to seeing the amazing stories our students publish following this visit.

Hello Families, This Term at KPS, we ran a Writing Competition for students to showcase their writing talents. We were very happy with the entries and wanted to share them with you. So please enjoy some more fabulous stories. The picture prompt is included so you can see their inspiration. Enjoy!

World-Famous PupStar

- What is the dog's name?
- What made this dog famous?
- Why is he taking the photo?

The Red Glasses

This is a story about how a dog became famous. It was the glasses that made the dog famous because of their bold red colour. The dog's name was Archie. Archie's owner's name was Zoe. Zoe was helpful to everyone, but Archie was a terrible maker.

Archie became famous because he troubled more than 10 thousand people. One fateful day at 12pm, Archie went into the woods and was swallowed up by a wolf. He was never heard of again.

The village people were happy and Zoe was relieved that she had no more complaints and the red on his glasses meant danger and the glasses were the last of him.

The Mean Dog

Today I saw a dog. It was chasing me, so I hit it. I dug a hole, and I hid in it.

"I'm safe now!" I heard the dog bark, then it ran away. So, I crept out of the hole.

The dog was eating my McDonalds. I was so sad, so I called KFC and ordered a Zinger box. I said, if you see a hole, that's where I'll be. Then the dog started chasing me, so I ran home and ate my KFC in peace.

World Famous Pup Star

One day at the world famous pup star house, there was a dog named Tinjarni. She loves taking photos of things like herself or an apple. She wears a black collar and sunglasses and takes photos for her socials.

I have a story. Do you want to know what the story is? I shall tell you...

When I was a kid, I loved taking photos of things that were interesting.

When I got older, I started taking photos of people which is how I got famous. That's when I got a job as a photographer.

By Tinjarni.

World Famous Pup-Star

I have a story to tell. It's about how my dog became famous...

It all started when my dog was born in LA and in his first ever movie, 'The City of Pups'. It got 100% on Rotten Tomatoes. It also got a 5 star rating on Yelp.

My dog also wrote a song called Coconut. It has over 1 million views on YouTube. He is now walking the red carpet these days. He took a specific photo of himself that got him 100 million likes.

Marmaduke

Marmaduke is a spy. He has a fake profile. ps. Marmaduke is on break.

Whenever Milla (his owner), is not around, he always goes on Facebook and posts photos from his phone. He's not allowed to do this because he's only 8 years old.

One morning, Milla woke up early and hid cameras around the house. When she went to work, Marmaduke went on his phone to watch Facebook and post photos. Marmaduke didn't know that Milla had been watching him the whole time.

When Milla got home from work, Marmaduke saw that Milla was angry, so he had to stay off his phone for a month. One month later...

"Marmaduke!" Yelled Milla.

"Yes".

"Here, you can have your phone back on your birthday Marmaduke."

"I love you Milla!" So, Marmaduke had learnt his lesson and never did it again.

Photos for Mothers

One ordinary day, there was a cute, teeny, tiny dog named Jack. He was the only dog that liked taking photos in the whole world. On the 14th day in May, there was a photo competition at Jack's school for the mothers, because it was Mother's Day.

Jack brought his costume last week for the photo and tomorrow is the competition, but Jack has a problem, he can't find his costume. Then Jack's mum came and said, "What's wrong Jack?"

Jack said, "I lost my costume and tomorrow's the competition." Jack started to cry.

"Don't worry Jack, we will bring a new one." Said Jack's mum.

"No! I want the same one!" Yelled Jack.

"Okay, then we will bring the same one, but don't yell, it hurts my ears!" Said Jack's mum.

Then Jack's sister Bella came in and yelled, "What is all this yelling for?"

"Jack lost his costume and tomorrow is the competition and we are going to the shops to get the costume." Said mum.

20 minutes later...

"We didn't find the costume!" Said Jack's mum.

"What shop did you buy the costume from?" Asked Bella.

"We bought it from the Dog Shop." Said Mum.

"I know my friend makes the clothes for the Dog Shop. Let's go to my friend's house." Said Bella.

After 20 minutes, Jack's costume was made.

"...And the winner is JACK!"

Our school[®] is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school[®] with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school[®] earns!

Collections close 7th July.

Tip for collecting:
Use one empty bread bag to collect a bunch of other bags.

Did you know?

Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!

LET'S GET COLLECTING!

* Includes early learning centres and pre-schools.

Tag [@wonderaustralia](https://twitter.com/wonderaustralia) [#wonderrecyclingrewards](https://twitter.com/wonderrecyclingrewards) to share all your recycling champion stories!

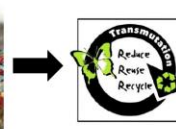

BREAD TAGS FOR WHEELCHAIRS

Please save your bread tags – they will be recycled to fund wheelchairs, mainly in South Africa.

We collect bread tags Australia-wide, and recycle these in Robe, SA. All funds raised through recycling are used to supply wheelchairs.

Re-made in Robe!

What can I do?

It's easy save your bread tags for a while and then drop them off at one of our collection points. Ask your family, friends, school and local café to help.
