PRINCIPAL'S REPORT

WE WANT OUR PARENTS / CAREGIVERS / GUARDIANS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey is optional, but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

All families are invited to participate in the survey.

The Parent / Caregiver / Guardian Opinion Survey will be open from Monday 7th August to Friday 8th September 2023. I will forward the link via Compass on Monday 7th August.

The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time within the survey period on desktop computers, laptops, tablets or smartphones. The online survey will be available in English and 10 other languages including Arabic, Greek, Hakha Chin, Hindi, Japanese, Punjabi, Simplified Chinese, Somali, Turkish, and Vietnamese.

PARENT / TEACHER INTERVIEWS

Compass bookings are now open to make an appointment time to see your child's classroom or specialist teacher.

A reminder to all families that Parent/Teacher interviews will be happening in week 6, 16th August from 11:00am to 6:30pm (3 week's time). Information has been sent home with the eldest child in each family about how to book Parent/Teacher Interviews.

STUDENT OF THE WEEK

Over the past couple of weeks, I have met with the students who are receiving acknowledgment of Student of the Week. We share morning / afternoon tea together, chatting about why they received the award and things around the school that could be improved. Last week I met with Year 3 to 6 students, and we had a constructive conversation around the rubbish in the yard. Some suggestions were no food outside, no wrappers on food, extending lunch eating time. I will take these suggestions to JSC.

PRINCIPAL'S REPORT

ART COMPETITION

Congratulations to all the students who participated in the recent Art competition.

It was extremely hard to judge the magnificent entries.

1st Sophie N, 2nd Leyla K, 3rd Jenny L, 4th Chanel P.

All students who entered will be invited to attend an excursion to the National Gallery of Victoria to participate in an Intro to Bonnard for Primary and Theatre of the Everyday Primary Workshop.

ATTENDANCE

A reminder that we are required to record student attendance and reasons for absences. You can help us by contacting us when your child is absent or going to be away on a future date. We prefer you to report student absences using Compass, as that means the information goes straight into our attendance records, however if that is not possible, please contact the school as soon as you are aware of the absence occurring. If students are unwell, then home is the best place for them. Having a day off for your birthday or 'just because' is not an acceptable reason for an absence. Ideally, family holidays are planned for school holiday breaks; if that's not possible, please work with your child's teacher to plan for learning that can happen while you are away. We want all our students at school, every day because, every day counts!

100 DAYS OF SCHOOL

Tomorrow our Foundation students will have attended school for 100 days. I wish them all a wonderful day celebrating with their friends and teachers. Keep an eye on Facebook for some pictures of our 'old' teachers and their students.

YEAR 6

Our Grade 6 students should have all now received their Secondary School Placement offers. This is a very exciting time for our graduating students. As parents and carers you can help to ease any worries your child has about starting secondary school by preparing your child in the months and weeks before term begins. Here are some ideas for practical preparations you can put into place to help ease the transition to secondary school:

Kurunjang Primary School is committed to being a child safe organisation and embedding a child safe culture into our practices and processes to ensure all children who attend the school are safe at all times.

PRINCIPAL'S REPORT

- Make sure your child goes to their secondary school transition and orientation programs.
- Involve your child in decision-making where possible. For example, you could discuss transport options to and from school.
- Practise taking the route to secondary school together to build your child's confidence about travelling independently.

ASSEMBLY

Looking forward to seeing you all at the Foundation to Year 2 assembly tomorrow. See you then.

Finally, as always I would love to hear any feedback you have about our school, so please feel free to email me at any time at kurunjang.ps@education.vic.gov.au with any thoughts, concerns, feedback or suggestions that you may have to continue to make our school a wonderful place to be and to learn. I will get back to you as soon as I can and really do appreciate any feedback that you have to share.

Our school* is taking part in the Wonder Recycling Rewards campaign this term.

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school* with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school* earns!

Collection Extended until 4th August

Tip for collecting:

Use one empty bread bag to collect a bunch of other bags.

Did you know?

Last year, schools collected over **10 tonnes of soft plastic**, that's the weight of an elephant!

LET'S GET COLLECTING!

* Includes early learning centres and pre-schools.

Tag [@wonder.australia](https://www.wonder.australia) [#wonderrecyclingrewards](https://www.wonderrecyclingrewards) to share all your recycling champion stories!

BREAD TAGS FOR WHEELCHAIRS

Please save your bread tags – they will be recycled to fund wheelchairs, mainly in South Africa.

We collect bread tags Australia-wide, and recycle these in Robe, SA. All funds raised through recycling are used to supply wheelchairs.

Re-made in Robe!

What can I do?

It's easy save your bread tags for a while and then drop them off at one of our collection points. Ask your family, friends, school and local café to help.

Visit our website for signage, to find your nearest collection point, or to host a collection point.
