PRINCIPAL'S REPORT

Today we held our Fathers' Day Stall. I would like to thank the Fundraising Committee and ES staff for the work in preparing our gifts, so that the students could all purchase something.

On behalf of our school, I would like to wish all the fathers, grandfathers, uncles and any significant role model in our children's lives, a very happy Father's Day this Sunday. Enjoy this special time with those who matter the most.

As we farewell Winter next week and welcome Spring, a reminder that hay fever season is now upon us. Hay fever is the common name for a condition called allergic rhinitis, which means an allergy that mainly affects the nose. However, hay fever can also affect your eyes, throat, sinuses and ears. Seasonal hay fever occurs mainly in spring and summer and affects people allergic to pollens. Hay fever can also occur all year round – this is called perennial hay fever. Hay fever is very common and affects up to 30 per cent of children. Children with hay fever commonly also have other allergic conditions like asthma, eczema or food allergy.

Hay fever cannot be cured, but there are a number of ways you can improve the symptoms and give your child some relief. The best way to reduce the frequency of your child's hay fever is to identify what causes your child's allergic reaction and then try to avoid contact with it, or at least minimise contact. Sometimes the cause is obvious, such as a pet. If you are having trouble working out the cause of your child's hay fever, see your GP.

The doctor will ask questions and may suggest allergy tests (such as a skin prick test or an allergy blood test) to identify the cause. If your child is allergic to pollen, checking the pollen count for your region can help you be aware when your child's hay fever might be worse.

Your doctor may suggest using medication to help relieve your child's symptoms, such as:

- non-drowsy antihistamines
 - steroid nasal sprays, which may be useful for older children.
- Your doctor or pharmacist can give advice on which medication may be best for your child.

GOOD LUCK TO OUR ATHLETES

I would like to acknowledge the following students who have qualified to compete at the Western Ranges Track and Field Division Championships next Thursday. Well done and best of luck to Chimeka A, Maile F, Indiana H, Abeny K, Manu M, Bior P, Alexi R, Lotu S, Georgia S, Alya S, Noah S, Tiahna T-B and Madison W.

NEW GARDEN

You may have noticed that we have a new garden being established near the Nimmo Crescent gate / Year 1 classrooms. Ms Kirstin and Mr Tila have been working with Kurunjang Secondary School students from their Hands On project.

The secondary school students made the amazing pencils and seats. On Tuesday with the help from our students 100 trees / plants were planted in the area. Keep your eyes open for the teepees that will be placed in the new garden.

STAFF ON ACTIVE SUPERVISION

This is a reminder that there are no staff on supervision duty until 8:30am. Please ensure that if you arrive before that time that you are supervising your child/ren or they are placed in OSH Club. Afternoon duty finishes at 3:25pm, if you are running late to collect your child/ren please let the office know as soon as possible.

HATS

As we move into September, it is our school's policy that students are once again always wearing hats when outdoors. Can all families please locate their school hats over the weekend and ensure students bring them to school next week. Any child not wearing a school hat will be asked and expected to play undercover when outdoors at recess and lunch time.

CAMPS

On Monday our 3/4 students are heading to Lady Northcote Camp! I know how excited our young people are, but I know how some parents may find the thought of your child's first camp a little daunting. Please rest assured, every element of care has been put into the planning and preparation for this camp and I am excited to be heading along too.

Kurunjang Primary School is committed to being a child safe organisation and embedding a child safe culture into our practices and processes to ensure all children who attend the school are safe at all times.

PRINCIPAL'S REPORT

Can I please ask that if your child needs medication, if it can be dropped off to school in a zip logged bag on the following days

Year 3/4 Lady Northcote Camp – Friday 1st September from 2:10pm – 3:30pm

Year 5/6 Camp Wyuna Camp – Friday 8th September from 2:10pm – 3:30pm

This allows our first aide officers time to ensure all medication has been signed in and accounted for.

If this is not possible to do so on the Friday, on the Monday of camp from 8:00am – 8:30am. Staff will meet you in the Personal Learning Studio (building near the gym).

If your child/ren are attending camp, please ensure that all items have their name on it.

PARENT / CAREGIVER / GUARDIAN OPINION SUREVY

It is that time of year again when we conduct the annual parent opinion survey. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour, and student engagement. We encourage all families to participate in this survey. If you haven't completed this survey please hop online, our school will use the survey results to help inform and direct future school planning and improvement strategies.

ASSEMBLY

Looking forward to seeing you all at the Foundation to Year 2 assembly tomorrow. See you then.

Finally, as always I would love to hear any feedback you have about our school, so please feel free to email me at any time at kurunjang.ps@education.vic.gov.au with any thoughts, concerns, feedback or suggestions that you may have to continue to make our school a wonderful place to be and to learn. I will get back to you as soon as I can and really do appreciate any feedback that you have to share.

Regards,

Tom
