PRINCIPAL'S REPORT

And just like that, the term is over! Can you believe it?

Whilst we have certainly had a productive and enjoyable term, it has certainly been a challenging one as we have battled high levels of staff and student absences due to a range of different illnesses across the school. Just a reminder that we finish at 2:10pm tomorrow!

I would like to express my gratitude to the dedicated staff members who accompanied our Year 5/6 students on this week's camp.

I know that all the students returned home from camp feeling tired but with lots of fond memories. From bike riding to Point Lonsdale, making wood fire pizzas, archery, canoeing on the foreshore, beach exploration / games, Queenscliff walk, Queenscliff Fort Tour and the highlight being the camp fire and eating S'mores!

The students who were at school enjoyed doing individual projects, cooking, a movie afternoon and mixing with other students from the 5/6 cohort.

As per last week we have discovered some lost property from both camps that has made its way back to school. If your child is missing any clothing items or personal belongings, we kindly ask you to come and have a look. The lost property will be available for viewing at school this afternoon. Please note that any unclaimed lost property will be donated to the local Op Shop tomorrow afternoon. We want to ensure that these items find new homes and continue to be useful to others in our community.

Well done to the Year 1/2 team who slept over at school last Friday. The students had a ball at the Big Night In. They enjoyed games, pizza, ice-cream, popcorn and movies, with the Year 2 students sleeping over.

R U OK DAY

Today is R U OK Day across Australia. We had thirty Year 5/6 students represent our school in the Dream Big Music Festival. R U OK Day is a national day of action when we remind Australians that every day is the day to ask, 'are you OK?' and start a meaningful conversation whenever they spot the signs that someone they care about might be struggling with life. Research has found four in ten Australians feel asking someone "are you OK?" is a conversation better had with an expert. However, R U OK? want you to know you don't need qualifications to have an R U OK? conversation. The work of health professionals is vital, and their value cannot be

PRINCIPAL'S REPORT

underestimated however we can all play a role in supporting the people in our world.

You don't need to be an expert to have an R U OK? conversation. Listening and giving someone your time might be just what they need to help them through.

STAFFING UPDATE

Congratulations to Estelle who has been nominated for 'Outstanding Mentor Teacher'. Estelle will be heading off to Monash University early next term to be treated like the star she is with other mentor teachers. We wish her all the best with her nomination.

RELAY 4 LIFE

Tomorrow we are having an out of uniform day to raise money for the Cancer Foundation.

I would like to acknowledge the staff who walked and ran over the 24 hour Relay 4 Life last weekend. As a team, 444 laps were completed with \$3750 being raised. I know that I had extremely sore feet on Saturday night.

LOOKING AHEAD

As you will know, we have a couple of really exciting events coming up on our school calendar. We start off with our Colour Spectacular on the 13th October. We will be holding an Arts Festival on Friday 8th December, where students will be performing / singing and selling items at their stalls. Our Year 6's will be busy preparing for Graduation and their Big Day Out at Melton Wave Pool.

ASSEMBLY

Tomorrow we will have assembly over the PA system starting at 2:00pm.

As always I would love to hear any feedback you have about our school, so please feel free to email me at any time at kurunjang.ps@education.vic.gov.au with any thoughts, concerns, feedback or suggestions that you may have to continue to make our school a wonderful place to be and to learn. I will get back to you as soon as I can and really do appreciate any feedback that you have to share.

As Term 3 comes to a close, I want to reiterate the importance of supporting your children to rest and relax. For many reasons, it has been a massive term and I have certainly noticed a lot of lingering fatigue within our school community.

Kurunjang Primary School is committed to being a child safe organisation and embedding a child safe culture into our practices and processes to ensure all children who attend the school are safe at all times.

PRINCIPAL'S REPORT

Term 4 is notoriously the busiest term of the school year, so I encourage you all to allow your children some activities that support rest and relaxation.

Finally, can I say a huge thank you to our dedicated staff and wonderful parent community for a positive term. Our students have thrived in many ways and I am so proud of them all. Have a fantastic break.

Regards,

Tom

Local foster care agency, OzChild is looking for families who might be interested in opening their homes, and their hearts to provide local kids with forever homes

We recently learnt from local foster care agency, OzChild, that they are on a desperate search for individuals and families in Melbourne's western suburbs to consider becoming foster carers.

According to OzChild, there are children as young as eight who are currently living in group homes, with other children they don't know, and of varying ages, supervised by youth workers rather than having the attention of parental figures.

The agency is hoping to hear from anyone in a position to provide a child in Melbourne's west with stability, permanency, and love. With an increasing number of local children in need of forever homes, the organisation has reached out to us to put a callout for families who can help.

In Victoria there are almost 10,000 kids in care, some live with close family or next of kin, but many are placed into foster care. In fact, there might even be a child in your child's class who has, or still does live with a foster carer. Imagine the impact we could have as a school community if even a few families decide to become foster carers. We could offer a lifeline to children in need, giving them the chance to thrive academically, emotionally, and socially. Your decision to become a foster parent could shape the trajectory of a child's life and create a brighter future for generations to come.

Without the stability of a family home many kids become disconnected from school and the community leading to a lifetime of disadvantage. Foster carers play a pivotal role in providing children with a sense of belonging and the opportunity to thrive.

Carers receive initial training and ongoing education, along with financial assistance and access to a network of professionals and a village of carers who are there for one another, offering support and guidance, especially for new carers.

OzChild ensures that foster carers have the tools and resources they need to succeed, including access to school drop off and pickup services, babysitter reimbursements, school holiday programs and allowances to ensure caring for a child or young person can fit in with your personal circumstances. In addition, regular support groups and respite care options are available to help foster carers navigate the challenges and celebrate the joys of fostering.

Becoming a foster carer is a profound commitment that can change lives forever. Many foster parents find that fostering enriches their family life and teaches their children invaluable life lessons about empathy, kindness, and understanding.

To learn more about becoming a foster carer with OzChild interested individuals are encouraged to visit www.ozchild.org.au. The organisation's dedicated team is ready to provide information, answer questions, and guide potential foster carers through the application process.
